

# DELIVERY TRACKING FROM MY BAXTER!

The **My Baxter** Patient Portal makes managing your supplies simple with enhanced delivery tracking alerts sent to your preferred device.

## UPS Shipments ▼

Receive alerts at every milestone of the UPS delivery

Remember—if you use Mobile Ordering to place your order, you can also use **My Baxter!** Talk to your nurse about My Baxter, or log on to [pdempowers.com/mybaxter](https://pdempowers.com/mybaxter) to register and learn more!

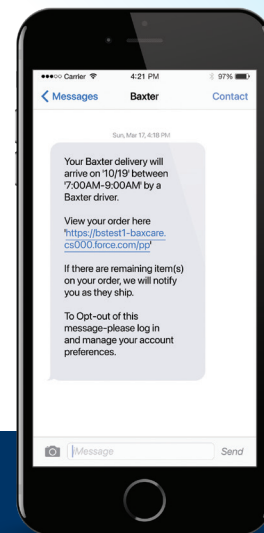

## Route Change ▼

Get an immediate notification if there is a route change that affects your schedule

## Baxter Delivery Notifications ▶

Be notified of your delivery window the moment it's set

## Remember to update your notification preferences! ▶

We recommend enabling all notifications so that you don't miss any key updates.

You can choose how you want to be notified—via email or text message.
