# 4 Steps to Good Nutrition

- Choose nutrient-dense foods
- Focus on the 5 food groups
- Use MyPlate as a guide to filling your plate
- Build health with the 85%/15% strategy

## **Eat More Nutrient-Rich Foods**

More vegetables, fruits, dried peas and beans, whole grains, low or nonfat dairy, lean meats and poultry, seafood, nuts, and unsaturated vegetables oils

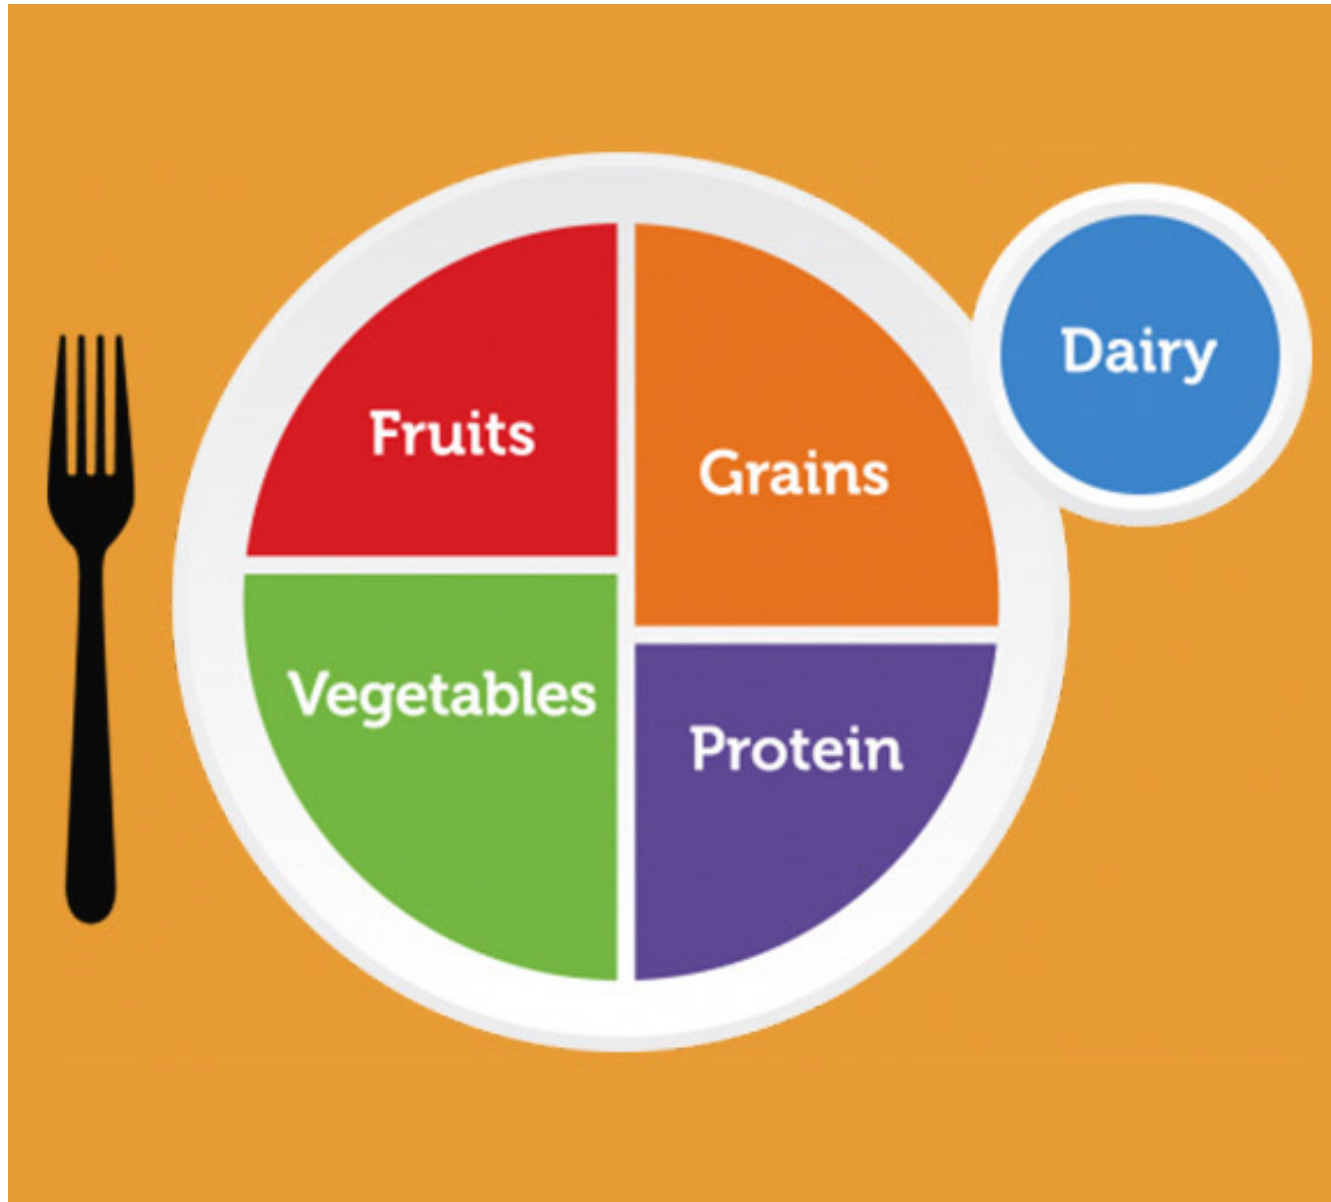

## **Eat Less Sodium, Saturated Fat, Added Sugars, and Processed Foods**

Red and processed meats, sugar-sweetened foods and beverages, refined grains

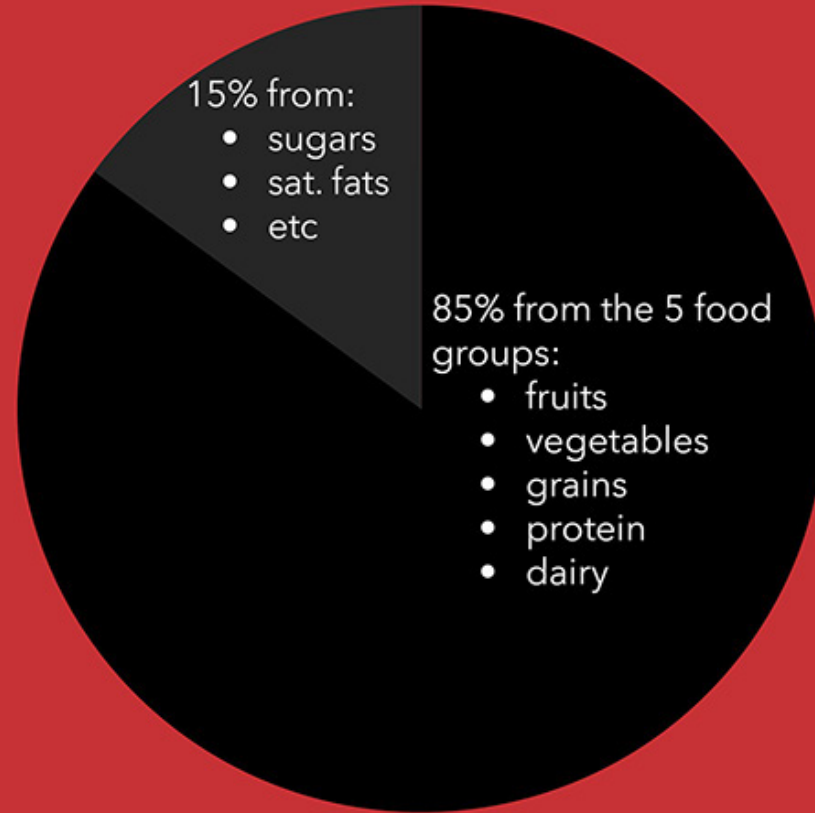

# Focus on the 5 Food Groups
